Learning Format

We offer online self-paced learning content to accommodate flexible learning schedules.

Prerequisites

We welcome everyone from different professional backgrounds to join advanced Excel training courses online and take advantage of our video tutorials and training programs. We shall remind you that this is an advanced level course; hence, we expect a certain level of prior understanding of the Microsoft Excel software and its applications; apart from that, we encourage you to take this course to become better in some of the key corporate skills.

- A stable internet connection
- Access to MS Excel
- Understanding of Excel functions and basic terminologies
- Laptop, desktop, tablet, or other device

Who Should Attend

- Professionals and students aiming to enhance Excel skills for better job prospects and productivity.

- Individuals seeking to improve data analysis and reporting capabilities.

- Beginners with little or no experience in Excel.

- Existing Excel users looking to fill knowledge gaps or learn advanced features.

What You Will Learn

With all these skills, you are going to become more than proficient in MS Excel and genuinely become a corporate professional in the real sense. The course director will teach each function with proper examples, case studies, and downloadable templates. The advanced Excel certification course covers a long list of functions, formulas, and filters that will take your data analysis and modeling techniques to a whole new level.

Acquired Skills

- A step forward from basic Excel functions
- LOOKUP functions with formula array
- Text-based and math-based functionsng

- Data validation, conditional and advanced formatting.
- What-if analysis with Pivot tables
- Protecting spreadsheets and workbooks

Job Market Analysis

Certification

The online certification awarded upon course completion adds valuable Excel skills to your portfolio. WallStreetMojo provides this certification to validate your expertise, allowing you to showcase it on LinkedIn or include it in job applications, setting you apart from others.
